

One of the main promises that we have from God is His Presence.

In 2 Chronicles 15:2, we read, "The Lord is with you when you are with him. If you seek Him, He will be found by you, but if you forsake him, he will forsake you."

God wants us to be with Him. In a similar way, our children (and grandchildren) want us to be at their play, their game, or whatever activities they take part in. They want us to be proud of them.

We want God to be with us at all of our games, but how often do we show up at His? Rarely?

But here we are, in a sense, at a re-enactment of His greatest performance – when He conquered Death. It is though He left the stage for a time, but we are here, clapping at His return.

Someone has said, "We want God's Presence everywhere we go; He wants our presence at the Cross."

So let us draw near to Him (at His great play) and celebrate how that performance, where he gave up His very existence, saves us.
