

**Family Mission Communion Comment****061230**

The Bible tells us that God “sent” or “gave” His Son to mankind. He did not order His Son as a Master would a slave, though, but as a team member on a critical mission. It was a family mission to serve mankind, and Jesus came and gave His life for that cause. Now that we are sons of God as well, do we not have the same mission? Let’s think about our responsibility to serve as we remember His Sacrifice.
