

I talked to many people throughout the land who were not able to see the glory of God through their own suffering, and thus had difficulty in believing and worshipping Him. Satan uses pain and loss to blind the minds of people¹. I found it very challenging to open their eyes to the overwhelming glory of Christ, who is the image of God. Believers and unbelievers alike are susceptible to having God's grace eclipsed.

I often pray that God will have mercy on us in our ignorance², and in not being able to see God's glory through our own struggles and suffering. Christ's sacrifice can enable be able us to see past that and embrace God's grace.

1. "The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God." 2 Corinthians 4:4.
2. 1 Timothy 1:13-14.
